

Leavers' Song

So now it's time to say 'Goodbye'
To our friends, moving on,
And after many years of being here
We'll be sad, when they're gone.

*This is our leavers' song,
We're proud of what we've done.
Many happy times we've had
And many songs we've sung
This is our leavers' song,
We're proud of what we've done.
Go from here with confidence
For all the things to come.*

So keep in mind those special times
That we've shared, here with you
And may the lessons learned through many terms
With your friends, stay with you

*This is our leavers' song,
We're proud of what we've done.
Many happy times we've had
And many songs we've sung
This is our leavers' song,
We're proud of what we've done.
Go from here with confidence
For all the things to come.*

So take good care and don't be scared
As you go, out from here.
Because there's so much more in store for you
As you grow, through the years.

This is our leavers' song,
We're proud of what we've done.
Many happy times we've had
And many songs we've sung
This is our leavers' song,
We're proud of what we've done.
Go from here with confidence
For all the things,
For all the things,
For all the things to come
